Immunization Week September 10 to 16

A special effort to immunize large numbers of children against diphtheria, whooping cough, (scarlet fever) and small pox, will be made in this community during National Immunization Week, September 10 to 16. Dr. Bow, Medical Officer of Health for Edmonton, announced recently.

War conditions, involving much travel and movement of population, have increased the dangers of the spread of communicable diseases in all parts of Canada. Dr. Bow explained. Due to the war, too, busy men and women have been prone to overlook the importance of safeguarding children against the home-front enemies of disease. There has been increased incidence of preventable diseases in Canada since the beginning of the war.

"Improved treatment techniques have reduced the mortality from some of these diseases, but it should not be overlooked that many children who recover suffer severely from complications which may affect their health throughout life. The tragic toll of death and illness is entirely preventable.

"I want to call upon parents and guardians of the young children in our community, to take advantage of the special opportunities that will be offered them during this campaign to see that the children have the simple protective treatment.

"The Province supplies us with toxoid for diphtheria prevention, vaccines for the prevention of whooping cough and smallpox, (and toxin for scarlet fever) immunization. No mother need have anything to fear from the treatment of her children with these protective substances.

On the other hand, she may have everything to fear from these terrible diseases if she fails to see that her child is protected.

Pictures Wanted

The Didsbury Detachment of the Army Tanks are planning to make a display of pictures of all the boys and girls of this district who have joined the Navy, Army or Air Force.

They are asking all next of kin who have pictures of their boys and girls to contribute to this display, and are asked to leave them, together with name, rank and address, at the Johnson & McCloy Barber Shop or with Mr. A. W. Haley at the Pool elevator.

All the pictures will be well cared for, and will be returned at the end of the display.

A Squadron 14th (R) Army Tank Regiment Didsbury Detachment, will parade from Legion Hall, Didsbury, to Memorial Service Sunday, September 3rd, at 1415 hours. Dress: Battle Dress with anklets.

Sgt. Culien, Detachment Commander

Labor Day, Sept. 4th.

Monday being Labor Day, all business houses will be closed.

Pte. Neil Gochee Killed in Action

According to a wire received by Mr. Wyndel Gochee at Lethbridge, his son, Pte. Neil Gochee, was reported killed in action in France.

Pte. Gochee, who was only 19 years of age, enlisted about a year ago and was here on his embarkation leave on his 19th birthday just last May.

He was born at Didsbury and attended the Didsbury schools.

Before enlisting he was a member of the local detachment of the 14th Army Tanks.

Neil was a likeable boy and very popular with the young folks.

Memorial Service

As announced in last week's Pioneer, the Legion has arranged that (weather permitting) the annual Memorial Service will be held at the Monument on the Butte, at 3 p.m. on Sunday, 3rd September.

All organizations and all people in the Town and district are invited to be present, and will be made very welcome. The Legion sponsors this service, but it is really the people's service - an opportunity to do honor to the memory of those men and women who sacrificed their lives for us and our freedom in the last war and in the war at present being waged.

Relatives of fallen heroes are especially invited.

It is hoped that as many people as possible will bring flowers from their gardens to decorate the Monument. There will be an interval during the service for the decoration, but if anyone prefers to place flowers on the Monument either before or after the service, that will be quite alright. It is hoped that many children will be present and will bring flowers, even a little bouquet of Forget-me-Nots will be very welcome.

The Legion Padre, Rev. D. Whyte Smith, will conduct the service.

Legion members and the 14th Reserve Army Tanks will parade at the Legion Hall at 2:15 p.m. Medals to be worn.

Will those who have cars please pick up the "have notes."

Free taxi service for the older folks from Law's Drug Store between 2:15 and 2:45 p.m.

Sacred Music Concert Is Real Treat

On Thursday evening, August 24, the auditorium of the M.B.C. Tabernacle was crowded to capacity as the Didsbury Male Quartette presented a program of sacred song.

To open the service, the congregation sang "Onward Christian Soldiers", and prayer was offered by the chairman, Rev. O. Snyder.

The quartette, composed of Messrs Arnold Sherrick, 1st tenor; Walter Snyder, 2nd tenor; Ward Sherrick, 1st bass; and Dr. L. I. Seaman, 2nd bass, accompanied at the piano by Mrs. Arnold Sherrick, chose as their opening selections, "Roll Billows Roll", "Why Should I Fear?" and "Some of the days".

Assisting in the evening program was the Ladies' Trio, composed of Mrs. Arnold Sherrick and the Misses Edith and Marian Sherrick, who sang "Precious Lord, Take my Hand", as their first number.

During the program, words of appreciation and farewell were given by Rev. E. Archer, pastor of the church, and Mr. E. Shantz, superintendent of the Sunday School, to Dr. Seaman for the fine cooperation in the work of the church, and also for his splendid service in the community as able physician and surgeon. As Dr. and Mrs. Seaman and family leave for Africa, they will be greatly missed, but we know that they have a Divine Mission to fill even there, and we wish them Godspeed.

Dr. Seaman expressed sincerest thanks in behalf of Mrs. Seaman and himself, assuring the friends they counted it a privilege to have spent almost three years at Didsbury.

Since Dr. Seaman will be leaving soon, this was the final appearance of the quartette.

To close the service, the congregation sang "Blessed be the Tie that Bindeth". Benediction was pronounced by the Rev. Archer.

"And they lived happy ever after", Snow White and her Prince. The children approved heartily of this ending at the Opera House last week. They know it is the way life really should be lived. Kill off the old with half way through the story; then lead the youthful pair on to their castle of dreams. Grown ups are sceptical; they say, "Why aren't the movies more like real life". But a wise man said, "Why can't life more like the movies?" It should be; ask the kiddies.

Sgt. Fred Lynch Killed in Action

Eldest son of Cpl. W. A. Lynch stationed at Currie Barracks, and Mrs. Lynch, of Calgary and formerly of Elkton, Sgt. Frederick Abner Lynch, 29, was killed in action at Tilly in Campaign, in France, on August 1, according to word received by his parents. He was previously reported missing.

Sgt. Lynch was born at Acme and attended the Red Deer high school and the Hillhurst public school in Calgary. Before his enlistment with the Calgary Highlanders on September 16th, 1939, he farmed near Didsbury. He went overseas with the Highlanders in 1940.

Red Cross is Alright

Bill Gontash, our local jeweller, received a letter on Thursday from the International Red Cross at Geneva, stating that his sister, Anna Nauchuk, who lives in Poland, is alive and in good health. He also was informed that a school friend was alive and well.

Bill made inquiries last October through the local Red Cross and is delighted to receive the good news. He says the Red Cross is alright.

Obituary.

Mrs. CHARLOTTE GOODHAND
Mrs. Charlotte Goodhand, 732 14th Ave. W., a resident of Calgary for the past 30 years, died in the General Hospital, Calgary, on Saturday, August 19, following a lengthy illness.

Mrs. Goodhand is survived by two daughters, Mrs. E. Beatrice Briggs, Calgary, and Mrs. Ivan Weber, Didsbury; also one son, Dr. Hadley C. Goodhand, Beaver Lodge, Alberta. Her husband predeceased her in 1923 in Calgary.

Funeral services were held at 2:30 p.m. on Tuesday, from Leyden's Chapel, Rev. G. H. Peacock officiating.

Burial took place in the family plot, Burnside cemetery.

Tenders For Municipal Hospital

SEALED tenders, addressed to the undersigned and endorsed "Tender for Hospital", will be received up to 6 o'clock in the afternoon of September 8, 1944, for works as follows; tender according to number:

1. General Contract, construction of a 25-bed frame and stucco hospital building with concrete basement, at Didsbury, Alberta.
2. Installation of plumbing and heating, and
3. Installation of electrical wiring and fixtures.

The selected general contract and sub contracts will be combined after selection under the general contract.

Plans and specifications covering the work may be obtained from the architect, George Heath Macdonald, 834 Tegler Building, Edmonton, upon payment of a deposit of five (\$5) dollars. This deposit will be returned when the plans are returned to the Architect.

A marked cheque for five per cent (5%) of the tender must accompany each tender as a guarantee that the same is bona fide.

No tender can be considered without this cheque attached. The lowest or any tender not necessarily accepted, and the acceptance by the Board of any tender is subject to the concurrence of the Minister of Health. The successful applicant, or applicants will be required to furnish a bond of security satisfactory to the Minister of Health to an amount equal to twenty per cent (20%) of his contract on execution of his contract with the Board, which bond or security shall remain in force for six months after the building has been turned over to the owners completed.

J. E. Goode - Editor & Manager**The World of Wheat**
by H. G. L. Strange

Farmers will soon be threshing their grain. Many farmers will harvest a crop that was grown from good Registered or Certified seed. Such grain, I suggest, should be threshed very carefully with a separator that has been thoroughly cleaned, then the threshed grain should be binned separately so that it will not become mixed with other grains.

A farmer who has grown grain—which is really good seed—of this quality, can improve the crop of many of his neighbors if he will offer this good seed to them at a small premium over the market price. When Registered or Certified seed is offered for sale in commercial channels the fields have to be inspected, and the seed in the sack has to be inspected and government sealed. No inspection of this kind, however, is needed if seed is sold by a farmer to his neighbors.

The late Dr. Robertson, founder of the Canadian Seed Growers' Association, once expressed the view that every farmer who produced a crop of true-to-variety grain suitable for seed, managed in effect an illustration farm that would help to improve the quality of the crop, hence the income, of all his neighbors.

Any person may now slaughter hogs for sale without obtaining a slaughtering permit, and may sell pork without having it stamped, under a revised regulation of the Wartime Prices and Trade Board. Effective Monday, August 21, this new order is possible because of the increased production of hogs throughout Canada and the suspension of meat rationing.

Perennial Wheat

Despite the fact that Russian perennial wheat won a place on the CIBC coast to coast network, it is not news. Russian plant breeders have, for many years, been investigating the possibilities of perennial wheat produced by crossing wheat with certain species of *Agropyron*, the genus to which couch grass, crested wheat grass, etc. belong.

Canadian plant breeders, likewise, have produced perennial wheats from the same or similar crosses; but they are not optimistic about the prospect of producing a commercially desirable perennial milling wheat.

In an article such as this, it is impossible to deal adequately with the technical problems involved. Aside from the perennial habit and, perhaps a measure of drought resistance, practically all the characteristics we require in our milling wheats are to be found in hard red spring varieties. The chance of producing a high quality perennial by crossing wheat with *Agropyron* is so remote that we may dismiss it. Hybrids thus proved belong to a species quite distinct from both parents. Crosses between the new hybrids and our standard varieties are highly sterile and, again, the prospect of success is remote.

Suffice it to say that perennial wheat is probably in commercial production in Russia. It is a fairly safe bet that the quality will not meet the exacting requirements of Canadian and British consumers. The money spent on plant breeding in Canada is mere hose change in comparison with appropriations in Russia. Satisfactory perennial wheat is not an impossibility; but at best it will require plenty of time and money.

Westcott Notes

A pleasant afternoon was spent last Thursday at the home of Mrs. Reiner, when the Lutheran Ladies' Aid entertained at a shower, in honor of Mr. Lyle Good.

Mr. John Jacobson was called to the States, owing to the death of his brother, Jake.

The Knox United Ladies Aid held their meeting at the home of Mrs. Ed Parker on Wednesday of last week, with 15 present. Mrs. G. Youngs had the topic of the afternoon, "Religious Instruction in the Schools", and Mrs. P. Hoesgood gave an interesting talk of missionary work. The next meeting will be in October, at the home of Mrs. Ray sr.

Mr. J. McDougall, of Calgary, spent a few days last week visiting with Mr. and Mrs. E. Parker.

Mr. and Mrs. Fred Niddrie, of Mound, visited with Mr. and Mrs. Hogg on Tuesday of last week.

Best wishes for a speedy recovery to Mrs. E. Lowie, who is in the Didsbury Hospital with blood poisoning from a barb wire scratch.

Bergen Notes.

Gor. Elworth Weber and Norman Halvorson both had short leaves, and visited at Bergen.

[Henry] Nielson and family are planning to move to Acadia Valley and do some dry farming.

Rev. A. Habermehl and family have moved to Bergen, and are taking Rev. A. Eby's appointment.

Farmers Permitted To Protect Crops

Alberta Farmers are permitted to protect their crops at any time by shooting wild ducks causing damage, according to recent amendments to the migratory birds act, it was announced recently by provincial government officials.

The new regulations state that any owner or occupant of land in Alberta, having a cereal crop, growing or in stock, on his land, may shoot on such land wild ducks which are damaging the crop, provided that the wild ducks so killed shall not be sold or offered for sale, and shall not be shot outside the area on which the crop is being injured.

If the owner or occupant cannot give sufficient protection to the crop himself, he may grant authority in writing to residents of Alberta to shoot the wild duck found to be damaging his crop, but he shall immediately notify E. S. Huessli, provincial game commissioner, at Edmonton, of such authority giving the names and addresses of the persons so authorized by him, to go with a description of the land on which the crop is being damaged.

Mr. Earl Broadbent died at Bergen a week ago Saturday, and was buried 3 miles west of Olds. The M.B.C. Sunday School and kind neighbors presented her with over one hundred dollars.

The Gamble children came home in relays to celebrate their daddy's 69th birthday; John, on his way to join the Merchant Marines, and the others as weather permitted.

Rev. A. Eby and family were given a surprise when some of the neighbors and friends came in on them, while they were away berry-picking at Mr. H. Nielson's place. They were bountifully fed with ice cream, cake and all that is to be desired in that line. They were then given a small purse of money as a love offering. Bro. Eby was loved by the Bergen people.

Right Now THE NEED IS DESPERATE

20000 TONS OF WASTE PAPER ARE REQUIRED EVERY MONTH TO MAKE ESSENTIAL CONTAINERS FOR MILITARY SUPPLIES

WHAT IS WANTED
You can remedy this critical paper shortage by saving every scrap of Waste Paper, namely: wrapping paper—store bags—cardboard—cartons—corrugated board—old magazines—old newspapers. These represent the raw material for making vitally needed Paper containers.

HOW TO DO IT
Tie securely in separate bundles. (The little time you take will save thousands of man hours.) Then dispose of it through your local voluntary salvage Committee or other War Voluntary Organization, or sell it through any known trade channels, your pedlar, dealers or others. The important thing is your Waste Paper moving to the mills.

NOTICE TO EMPLOYERS AND THEIR MALE EMPLOYEES

By an order signed on August 15th, 1944, by the undersigned Minister of Labour under authority of National Selective Service Mobilization Regulations:

- Commencing August 22nd, 1944, every employer is required to check the documents held by each newly engaged male employee, within 7 days of the employee's engagement, to determine if such employee possess documents to show that he is in good standing under National Selective Service Mobilization Regulations (that is, in relation to the Military Call-up);
- Every employee must report on Schedule 9 to the Registrar for his Mobilization Division, concerning any employee found not to possess documents as referred to;
- Every employee is required similarly to check the documents held by each male employee newly engaged between May 1st, 1944, and August 22nd, 1944, and to report to the Registrar for his Mobilization Division by August 29th, 1944, on any such employee found not to possess documents as referred to;
- Any male employee here referred to, is required by the Regulations to present his documents to his employer for purposes of inspection;
- Penalties are provided for any employer or male employee who fails to comply with these Regulations.

By an earlier order, employers were required to check the documents held by their male employees, and to report by May 1st, 1944, on doubtful cases as well as cases where employees did not possess documents. The procedure for the present continuing check, although being notified to employers in "Notice to Employers and their Male Employees", which is now being mailed, is identical with that set forth in "Employers' Guide", which covered the check made before May 1st, 1944.

Employers are asked to remember that they do not report on men who do possess the necessary documents—only on those who fail to present documents for examination, or where there is doubt that the document presented actually proves good standing.

The employers of Canada co-operated very satisfactorily on the first check, made up to May 1st last. This co-operation was decidedly helpful, and is very much appreciated. Further co-operation is now earnestly requested.

Schedule 9 and details as to documents which prove good standing, are available through the Employment and Selective Service Offices.

Mrs. Edna Dowell and daughter Evelyn, returned last Thursday from a month's visit to Ferndale, B.C. While there they celebrated the golden wedding anniversary of Mrs. Dowell's parents, and report a very enjoyable time.

Beginning September 4th and running through to September 10th, a Vacation Bible School will be conducted in the Zella school each afternoon at 2 o'clock. Parents of the community are urged to have their children attend.

Mrs. Ray Lantz, Mrs. Parsons sr., June and Michael, returned home Saturday after a two week vacation at Banff. While there, June visited Rodney DeMan and reports that he is getting along fine, but must stay there another three months.

F/O Ross Fiddes, Didsbury, a veteran of two tours of operations overseas as a wireless air gunner graduated as a pilot recently from No. 19 S.F.T.S., Vulcan. Before reuniting as a pilot he had seen action out of England, Malta and the Middle East. F/O Fiddes is a son-in-law of Mr. and Mrs. Ed Buhr.

Honoring Mrs. Douglas Sterling (nee Bunny Tighe), Mrs. Fred Reiffenstein entertained on Wednesday evening of last week, at a miscellaneous shower. Many interesting games and contests, including a humorous mock wedding of a sailor and his bride, were enjoyed by all, after which the hostess presented the many gifts to the guest of honor. A sumptuous lunch brought the evening to a close.

The Gazette reported some weeks ago that Sgt. Vic Morrison had gathered in a cake and a box of cigars that German officers had left in their quarters in Italy when the Canadians captured the town. Well, Vic sent a number of these vile cigars to his father, Gib Morrison, and Gib was kind enough to give us two of them. We in turn have given one to "Kirk", and if he survives we will take on the other one.

Discuss Future Educational Possibilities

A meeting was held at Olds on Tuesday last, at which the representatives of the School Boards of Olds, Didsbury, Carstairs and the Olds School Division had been invited to meet with Mr. G. McNally, the deputy minister of education, to discuss the possibility of co-operative efforts on the part of the school districts and the school division to extend increased educational facilities to the school pupils of the area.

Representatives were present from Carstairs, Olds and the School Division, but there was no representative from the Didsbury School Board.

Mr. McNally discussed the intentions of the Department in the development of education for the future. He said that there would be tendency to the establishment of larger centres of education in the province. He stated that one centre was being established in the Peace River district, and that five of six other centres would be established in the province with one possibly between Red Deer and Calgary. The centres would follow some of the pattern of the Western Canada High School in Calgary, where a larger number of academical and practical subjects could be taught. It was also intended to establish dormitories for the accommodation of the students.
